Regarding the shipment with Tracking Code: o3KZ3y5lLe, which was sent through Universal Expertise Courier.

Our records indicate that the aforementioned shipment recently arrived at the customs port of entry in Malta. As per our standard customs procedures, the contents of the package underwent inspection to assess applicable customs duties and taxes.

After careful evaluation, the assessed customs duty and boarding pass charges for your shipment amount to \$3,050. These charges are imposed in accordance with Malta's customs regulations and are essential for the smooth processing and clearance of international shipments.

The breakdown of the charges is as follows:

Customs Duty: \$2,500

Tax: \$550

Please note that customs duties are levied on certain goods imported into Malta, and the rates vary depending on the nature of the items being shipped. The tax fee is applicable to cover the administrative costs associated with the clearance and handling of the shipment.

Sincerely,
